Dear Valued Members and Friends,

We are reaching out to you because you know how important maintaining and preserving the history of our town is to our community. We are proud of what we have accomplished in the last 37 years and we are excited about the future. In order to maintain our ongoing activities and launch new projects, the Matthews Historical Foundation needs to raise funds by memberships and donations. Here are a few highlights of our recent accomplishments:

**2010** Acquired & Renovated Massey-Clark House

**2012** *Matthews Remembered* DVD complete

**2013** Matthews Heritage Museum opened

**2015** Outen Pottery listed on National Register

**2021** Roseland Cemetery Restored

**2021** Reid House Patio Completed

The Matthews Heritage Museum, part of the MHF, has been a busy downtown asset since June of 2013. Since opening, the Museum has welcomed thousands of visitors and school groups. Open Thursday through Saturday, and free to the public, it is staffed with volunteers (docents) and a paid Director. Tours and changing Matthews historic displays continue to be the focus of the Museum.

Members receive the MHF newsletters and updates by email. We are proud of the Historic Reid House and rent the house and the lovely landscaped grounds for weddings, baby showers, family celebrations, etc. In December the Annual Holiday Party is well-attended at the Historic Reid House. We host the Matthews Women's Club Christmas Teas annually, tours of Matthews Historic locations, school programs, host various civic groups and we will be having a Fine Art Show on April 12th and 13th at the Historic Reid House featuring local Fine Artists. We work to maintain and preserve the Historic Reid House and the Matthews Heritage Museum throughout the year. All of our projects and events are made possible by the financial support from our members, sponsors and benefactors. Your support is appreciated!
